

Hi Jason!

We hope you're getting familiar with your new health plan. We're here to help you get the most out of your benefits.

**Answer a few questions so we can serve you better.**

Our advisors are here to help you in many ways, but we want to know what kind of help you need and want most. As soon as you can, will you answer a few short questions so we can get to know you better?

[TAKE THE SURVEY](#)

**Download the Health app.**

If you haven't already, download the Health app and log in using your current account info or register for an account using the information on your Member ID card. The app is your key to unlocking all the benefits your plan has to offer.

- 24/7 support from your advisors
- Easier access to your benefits, health programs and care management
- Next steps you can take for better health and rewards
